Policy - external Code of Conduct for Councillors

1 Introduction

- 1.1 This Code of Conduct applies to Councillors. It is based on the Model Code of Conduct for Local Councils in NSW ("the Model Code of Conduct") which has been prescribed under the Local Government (General) Regulation 2005 ("the Regulation").
- 1.2 Parts of this document, drawn from the Model Code of Conduct, refer to conduct requirements for staff, but must be included in this document to achieve compliance with the Regulation.
- 1.3 Section 440 of the Local Government Act 1993 ("LG Act") requires every council (including county councils) and joint organisation to adopt a code of conduct that incorporates the provisions of the Model Code of Conduct. A council's or joint organisation's adopted code of conduct may also include provisions that supplement the Model Code of Conduct and that extend its application to persons that are not "council officials" for the purposes of the Model Code of Conduct (eg volunteers, contractors and members of wholly advisory committees).
- 1.4 The Model Code of Conduct sets the minimum standards of conduct for Council Officials. It is prescribed by regulation to assist Council Officials to:
 - 1.5 understand and comply with the standards of conduct that are expected of them
 - 1.6 enable them to fulfil their statutory duty to act honestly and exercise a reasonable degree of care and diligence (section 439)
 - 1.7 act in a way that enhances public confidence in local government.
- 1.8 Councillors, Administrators, members of staff of councils, delegates of councils, (including members of council committees that are delegates of a council) and any other person a council's adopted code of conduct applies to, must comply with the applicable provisions of their council's code of conduct. It is the personal responsibility of Council Officials to comply with the standards in the code and to regularly review their personal circumstances and conduct with this in mind.
- 1.9 Failure by a Councillor to comply with the standards of conduct prescribed under this Code constitutes misconduct for the purposes of the LG Act. The LG Act provides for a range of penalties that may be imposed on Councillors for misconduct, including suspension or disqualification from civic office. A Councillor who has been suspended on three or more occasions for misconduct is automatically disqualified from holding civic office for five years.

Objectives

- 1.10 Council's objectives for establishing this Code are to:
 - a) comply with Regulation
 - b) achieve consistency with other councils through the adoption of the Model Code of Conduct
 - c) promote ethics, honesty and professionalism within Council and among Council staff.

Values

- 1.11 Lake Macquarie City Council has a set of organisational values that guide conduct and underpin this Code:
 - a) Leading at all levels
 - b) Working together
 - c) Shaping our future.

- a) a member of, or in the employment of, a specified company or other body, or

Policy - external Code of Conduct for Councillors

- b) a partner of, or in the employment of, a specified person.

Such a notice is, unless and until the notice is withdrawn or until the end of the term of the Council in which it is given (whichever is the sooner), sufficient disclosure of the Councillor's interest in a matter relating to the specified company, body or person that may be the subject of consideration by the Council or council committee after the date of the notice.

- 4.21 A Councillor is not prevented from being present at and taking part in a meeting at which a matter is being considered, or from voting on the matter, merely because the Councillor has an interest in the matter of a kind referred to in clause 4.6.
- 4.22 A person does not breach clauses 4.16 or 4.17 if the person did not know, and could not reasonably be expected to have known, that the matter under consideration at the meeting was a matter in which they had a pecuniary interest.
- 4.23 Despite clause 4.17, a Councillor who has a pecuniary interest in a matter may participate in a decision to delegate consideration of the matter in question to another body or person.
- 4.24 Clause 4.17 does not apply to a Councillor who has a pecuniary interest in a matter that is being considered at a meeting if:
 - a) the matter is a proposal relating to:
 - i) the making of a principal environmental planning instrument applying to the whole or a significant portion of the Council's area, or
 - ii) the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant portion of the Council's area, and
 - b) the pecuniary interest arises only because of an interest of the Councillor in the Councillor's principal place of residence or an interest of another person (whose interests are relevant under clause 4.3) in that person's principal place of residence, and
 - c) the Councillor made a special disclosure under clause 4.25 in relation to the interest before the commencement of the meeting.
- 4.25 A special disclosure of a pecuniary interest made for the purposes of clause 4.24(c) must:
 - a) be in the form set out in Schedule 3 of this Code and contain the information required by that form, and
 - b) be laid on the table at a meeting of the Council as soon as practicable after the disclosure is made, and the information contained in the special disclosure is to be recorded in the minutes of the meeting.
- 4.26 The Minister for Local Government may, conditionally or unconditionally, allow a Councillor who has a pecuniary interest in a matter with which the Council is concerned to be present at a meeting of the Council or committee, to take part in the consideration or discussion of the matter and to vote on the matter if the Minister is of the opinion:
 - a) that the number of Councillors prevented from voting would be so great a proportion of the whole as to impede the transaction of business, or
 - b) that it is in the interests of the electors for the area to do so.
- 4.27 A Councillor with a pecuniary interest in a matter who is permitted to be present at a meeting of the Council or committee, to take part in the consideration or discussion of the matter and to vote on the matter under clause 4.26, must still disclose the interest they have in the matter in accordance with clause 4.16.

5 Non-pecuniary conflicts of interest

What is a non-pecuniary conflict of interest?

- 5.1 Non-pecuniary interests are private or personal interests a Council Official has that do not amount to a pecuniary interest as defined in clause 4.1 of this Code. These commonly arise out of family or personal relationships, or out of involvement in sporting, social, religious or other cultural groups and associations, and may include an interest of a financial nature.
- 5.2 A non-pecuniary conflict of interest exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your official functions in relation to a matter.
- 5.3 The personal or political views of a Council Official do not constitute a private interest for the purposes of clause 5.2.
- 5.4 Non-pecuniary conflicts of interest must be identified and appropriately managed to uphold community confidence in the probity of council decision-making. The onus is on you to identify any non-pecuniary conflict of interest you may have in matters that you deal with, to disclose the interest fully and in writing, and to take appropriate action to manage the conflict in accordance with this Code.
- 5.5 When considering whether or not you have a non-pecuniary conflict of interest in a matter you are dealing with, it is always important to think about how others would view your situation.

Managing non-pecuniary conflicts of interest

- 5.6 Where you have a non-pecuniary conflict of interest in a matter for the purposes of clause 5.2, you must disclose the relevant private interest you have in relation to the matter fully and in writing as soon as practicable after becoming aware of the non-pecuniary conflict of interest and on each occasion on which the non-pecuniary conflict of interest arises in relation to the matter.
- 5.7 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes on each occasion on which the non-pecuniary conflict of interest arises. This disclosure constitutes disclosure in writing for the purposes of clause 5.6.
- 5.8 How you manage a non-pecuniary conflict of interest will depend on whether or not it is significant.
- 5.9 As a general rule, a non-pecuniary conflict of interest will be significant where it does not involve a pecuniary interest for the purposes of clause 4.1, but it involves:
 - a) a relationship between a Council Official and another person who is affected by a decision or a matter under consideration that is particularly close, such as a current or former spouse or de facto partner, a relative for the purposes of clause 4.4 or another person from the Council Official's extended family that the Council Official has a close personal relationship with, or another person living in the same household
 - b) other relationships with persons who are affected by a decision or a matter under consideration that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship
 - c) an affiliation between the Council Official and an organisation (such as a sporting body, club, religious, cultural or charitable organisation, corporation or association) that is affected by a decision or a matter under consideration that is particularly strong. The strength of a Council Official's affiliation with an organisation is to be determined by the extent to which they actively participate in the management, administration or other

Policy - external Code of Conduct for Councillors

activities of the organisation

- d) membership, as the Council's representative, of the board or management committee of an organisation that is affected by a decision or a matter under consideration, in circumstances where the interests of the Council and the organisation are potentially in conflict in relation to the particular matter
- e) a financial interest (other than an interest of a type referred to in clause 4.6) that is not a pecuniary interest for the purposes of clause 4.1
- f) the conferral or loss of a personal benefit other than one conferred or lost as a member of the community or a broader class of people affected by a decision.

5.10 Significant non-pecuniary conflicts of interest must be managed in one of two ways:

- a) by not participating in consideration of, or decision making in relation to, the matter in which you have the significant non-pecuniary conflict of interest and the matter being allocated to another person for consideration or determination, or
- b) if the significant non-pecuniary conflict of interest arises in relation to a matter under consideration at a council or committee meeting, by managing the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.16 and 4.17.

5.11 If you determine that you have a non-pecuniary conflict of interest in a matter that is not significant and does not require further action, when disclosing the interest you must also explain in writing why you consider that the non-pecuniary conflict of interest is not significant and does not require further action in the circumstances.

5.12 Despite clause 5.10(a), a Councillor who has a significant non-pecuniary conflict of interest in a matter, may participate in a decision to delegate consideration of the matter in question to another body or person.

Political donations

5.13 Councillors should be aware that matters before council or committee meetings involving their political donors may also give rise to a non-pecuniary conflict of interest.

5.14 Where you are a Councillor and have received or knowingly benefitted from a reportable political donation:

- a) made by a major political donor in the previous four years, and
- b) the major political donor has a matter before council,

5.15 you must declare a non-pecuniary conflict of interest in the matter, disclose the nature of the interest, and manage the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.16 and 4.17. A disclosure made under this clause must be recorded in the minutes of the meeting.

5.16 For the purposes of this Part:

- a) a "reportable political donation" has the same meaning as it has in section 6 of the *Electoral Funding Act 2018*
- b) "major political donor" has the same meaning as it has in the *Electoral Funding Act 2018*.

5.17 Councillors should note that political donations that are not a "reportable political donation", or political donations to a registered political party or group by which a Councillor is endorsed, may still give rise to a non-pecuniary conflict of interest. Councillors should determine whether or not such conflicts are significant for the purposes of clause 5.9 and take the appropriate action to manage them.

Policy - external Code of Conduct for Councillors

5.18 Despite clause 5.13, a Councillor who has received or knowingly benefitted from a reportable political donation of the kind referred to in that clause, may participate in a decision to delegate consideration of the matter in question to another body or person.

Loss of quorum as a result of compliance with this Part

5.19 A Councillor who would otherwise be precluded from participating in the consideration of a matter under this Part because they have a non-pecuniary conflict of interest in the matter is permitted to participate in consideration of the matter if:

- a) the matter is a proposal relating to:
 - i) the making of a principal environmental planning instrument applying to the whole or a significant portion of the Council's area, or
 - ii) the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant portion of the Council's area, and
- b) the non-pecuniary conflict of interest arises only because of an interest that a person has in that person's principal place of residence, and
- c) the Councillor discloses the interest they have in the matter that would otherwise have precluded their participation in consideration of the matter under this Part in accordance with clause 5.6.

5.20 The Minister for Local Government may, conditionally or unconditionally, allow a Councillor who is precluded under this Part from participating in the consideration of a matter to be present at a meeting of the council or committee, to take part in the consideration or discussion of the matter and to vote on the matter if the Minister is of the opinion:

- a) that the number of Councillors prevented from voting would be so great a proportion of the whole as to impede the transaction of business, or
- b) that it is in the interests of the electors for the area to do so.

5.21 Where the Minister exempts a Councillor from complying with a requirement under this Part under clause 5.19, the Councillor must still disclose any interests they have in the matter the exemption applies to, in accordance with clause 5.6.

Personal dealings with council

5.22 You may have reason to deal with your council in your personal capacity (for example, as a ratepayer, recipient of a council service or applicant for a development consent granted by council). You must not expect or request preferential treatment in relation to any matter in which you have a private interest because of your position. You must avoid any action that could lead members of the public to believe that you are seeking preferential treatment.

5.23 You must undertake any personal dealings you have with the Council in a manner that is consistent with the way other members of the community deal with the Council. You must also ensure that you disclose and appropriately manage any conflict of interest you may have in any matter in accordance with the requirements of this Code.

6 Personal benefit

6.1 For the purposes of this Part, a gift or a benefit is something offered to or received by a Council Official or someone personally associated with them for their personal use and enjoyment.

6.2 A reference to a gift or benefit in this Part does not include:

Policy - external Code of Conduct for Councillors

- a) items with a value of \$10 or less
- b) a political donation for the purposes of the *Electoral Funding Act 2018*
- c) a gift provided to the Council as part of a cultural exchange or sister-city relationship that is not converted for the personal use or enjoyment of any individual Council Official or someone personally associated with them
- d) a benefit or facility provided by the council to an employee or councillor
- e) attendance by a Council Official at a work-related event or function for the purposes of performing their official duties, or
- f) free or subsidised meals, beverages or refreshments provided to Council Officials in conjunction with the performance of their official duties such as, but not limited to:
 - i) the discussion of official business
 - ii) work-related events such as council-sponsored or community events, training, education sessions or workshops
 - iii) conferences
 - iv) council functions or events
 - v) social functions organised by groups, such as council committees and community organisations.

Gifts and benefits

- 6.3 You must avoid situations that would give rise to the appearance that a person or body is attempting to secure favourable treatment from you or from the Council, through the provision of gifts, benefits or hospitality of any kind to you or someone personally associated with you.
- 6.4 A gift or benefit is deemed to have been accepted by you for the purposes of this Part, where it is received by you or someone personally associated with you.

How are offers of gifts and benefits to be dealt with?

- 6.5 You should be aware that accepting gifts or benefits may be appropriate in some situations, but other situations may constitute corrupt conduct or be perceived to constitute corrupt conduct. Each situation must be carefully assessed on its own merits.
- 6.6 You must not:
 - a) seek or accept a bribe or other improper inducement
 - b) seek gifts or benefits of any kind
 - c) accept any gift or benefit that may create a sense of obligation on your part, or may be perceived to be intended or likely to influence you in carrying out your public duty
 - d) subject to clause 6.8, accept any gift or benefit of more than token value as defined by clause 6.12
 - e) accept an offer of cash or a cash-like gift as defined by clause 6.16, regardless of the amount
 - f) accept gifts and benefits of a token value, where they are offered by the same donor on more than one occasion
 - g) accept lucky door prizes or raffle prizes while attending events, functions, conferences or training seminars paid for by the Council or while engaging in other official duties

Policy - external Code of Conduct for Councillors

- h) participate in competitions for prizes where eligibility is based on the Council being in or entering into a customer–supplier relationship with the competition organiser
 - i) personally benefit from reward points programs when purchasing on behalf of the Council.
- 6.7 Where you receive a gift or benefit of any value other than one referred to in clause 6.2, you must disclose this promptly to the Chief Executive Officer in writing. The recipient or Chief Executive Officer must ensure that, at a minimum, the following details are recorded in the Council's gift register:
- a) the nature of the gift or benefit
 - b) the estimated monetary value of the gift or benefit
 - c) the name of the person who provided the gift or benefit, and
 - d) the date on which the gift or benefit was received.
- 6.8 Where you receive a gift or benefit of more than token value that cannot reasonably be refused or returned, the gift or benefit must be surrendered to the Council, unless the nature of the gift or benefit makes this impractical.

Gifts and benefits of token value

- 6.9 You may accept gifts and benefits of token value. Gifts and benefits of token value are one or more gifts or benefits received from a person or organisation over a 12-month period that, when aggregated, do not exceed a value of \$50. They include, but are not limited to:
- a) free or subsidised meals of a modest nature and/or beverages provided in connection with the discussion of official business
 - b) invitations to appropriate out-of-hours social functions organised by groups, such as Council committees and community organisations
 - c) refreshments of a modest nature provided at conferences
 - d) invitations to and attendance at local social, cultural or sporting events with a ticket value that does not exceed \$50
 - e) gifts of alcohol that do not exceed a value of \$50
 - f) ties, scarves, coasters, tie pins, diaries, chocolates or flowers or the like
 - g) prizes or awards that do not exceed \$50 in value.
- 6.10 It may be difficult to determine the true value of a gift or benefit and whether it is above or below the token value of up to \$50. You must use your best judgement and adopt the 'if in doubt, refuse the gift or benefit' approach.
- 6.11 A series of token value gifts or benefits (i.e. up to \$50) offered by one donor to you, may pose the same risks of real or apparent compromises as accepting one gift or benefit, which alone exceeds the \$50 token value amount. You must therefore be cautious of such serial gift giving.

Gifts and benefits of more than token value

- 6.12 Gifts or benefits that exceed \$50 in value are gifts or benefits of more than token value for the purposes of clause 6.5(e) and, subject to clause 6.8, must not be accepted.

Policy - external Code of Conduct for Councillors

- 6.13 Gifts and benefits of more than token value include, but are not limited to, tickets to major sporting events (such as international matches or matches in national sporting codes) with a ticket value that exceeds \$50, corporate hospitality at a corporate facility at major sporting events, free or discounted products or services for personal use provided on terms that are not available to the general public or a broad class of persons, the use of holiday homes, artworks, free or discounted travel.
- 6.14 Where you have accepted a gift or benefit of token value from a person or organisation, you must not accept a further gift or benefit from the same person or organisation or another person associated with that person or organisation within a single 12-month period where the value of the gift, added to the value of earlier gifts received from the same person or organisation, or a person associated with that person or organisation, during the same 12-month period would exceed \$50 in value.
- 6.15 For the purposes of this Part, the value of a gift or benefit is the monetary value of the gift or benefit inclusive of GST.

“Cash-like gifts”

- 6.16 For the purposes of clause 6.6(e), “cash-like gifts” include but are not limited to, gift vouchers, credit cards, debit cards with credit on them, prepayments such as phone or internet credit, lottery tickets, memberships or entitlements to discounts that are not available to the general public or a broad class of persons.

Improper and undue influence

- 6.17 You must not use your position to influence other Council Officials in the performance of their official functions to obtain a private benefit for yourself or for somebody else. A Councillor will not be in breach of this clause where they seek to influence other Council Officials through the proper exercise of their role as prescribed under the LG Act.
- 6.18 You must not take advantage (or seek to take advantage) of your status or position with council, or of functions you perform for council, in order to obtain a private benefit for yourself or for any other person or body.

Receiving a prohibited gift or benefit

- 6.19 Where you receive a gift or benefit of more than token value (i.e. more than \$50) that cannot be reasonably refused, you must disclose this promptly in writing using the Gifts and Benefits Declaration Form and surrender the gift or benefit to the Internal Ombudsman.
- 6.20 Gifts that may not be outright bribes but are nevertheless suspected of being offered for the purposes of influencing your behaviour in your official capacity must always be declined. You must disclose this promptly in writing using the Gifts and Benefits Declaration Form.

7 Relationship between Councillors, Officials and Council staff

Obligations of councillors and administrators

- 7.1 Each council is a body politic. The Councillors or Administrator/s are the governing body of the Council. - g) Council staff being overbearing or threatening to Councillors or Administrators

- i) Councillors and Administrators directing or pressuring Council staff in the performance of their work, or recommendations they should make
- j) Council staff providing ad hoc advice to Councillors and Administrators without recording or documenting the interaction as they would if the advice was provided to a member of the community
- k) Councillors attending on-site inspection meetings with lawyers and/or consultants engaged by the Council associated with current or proposed legal proceedings unless permitted to do so by the Council's Chief Executive Officer or, in the case of the Mayor or Administrator, unless they are exercising their functions under section 226 of the LG Act.

8 Access to information and council resources

Councillor and administrator access to information

- 8.1 The Chief Executive Officer is responsible for ensuring that Councillors and Administrators can access information necessary for the performance of their official functions. The Chief Executive Officer and Public Officer are also responsible for ensuring that members of the public can access publicly available council information under the GIPA Act.
- 8.2 The Chief Executive Officer must provide Councillors and Administrators with the information necessary to effectively discharge their official functions.

- 8.4 Members of staff of Council who provide any information to a particular Councillor in the performance of their official functions must also make it available to any other Councillor who requests it and in accordance with council procedures.
- 8.5 Councillors and Administrators who have a private interest only in council information have the same rights of access as any member of the public.
- 8.6 Despite clause 8.4, Councillors and Administrators who are precluded from participating in the consideration of a matter under this Code because they have a conflict of interest in the matter, are not entitled to request access to council information in relation to the matter unless the information is otherwise available to members of the public, or the Council has determined to make the information available under the GIPA Act.

Policy - external Code of Conduct for Councillors

Councillors and Administrators to properly examine and consider information

- 8.7 Councillors and Administrators must ensure that they comply with their duty under section 439 of the LG Act to act honestly and exercise a reasonable degree of care and diligence by properly examining and considering all the information provided to them relating to matters that they are required to make a decision on.

Refusal of access to information

- 8.8 Where the Chief Executive Officer or Public Officer determine to refuse access to information requested by a Councillor or Administrator, they must act reasonably. In reaching this decision they must take into account whether or not the information requested is necessary for the Councillor or Administrator to perform their official functions (see clause 8.2) and whether they have disclosed a conflict of interest in the matter the information relates to that would preclude their participation in consideration of the matter (see clause 8.6). The Chief Executive Officer or Public Officer must state the reasons for the decision if access is refused.

Use of certain council information

- 8.9 In regard to information obtained in your capacity as a Council Official, you must:

- d) the council's privacy management plan
- e) the Privacy Code of Practice for Local Government

Use of council resources

- 8.13 You must use council resources ethically, effectively, efficiently and carefully in exercising your official functions, and must not use them for private purposes unless this use is lawfully authorised and proper payment is made where appropriate.
- 8.14 You must be scrupulous in your use of council property, including intellectual property, official services, facilities, technology and electronic devices and must not permit their misuse by any other person or body.
- 8.15 You must avoid any action or situation that could create the appearance that council property, official services or public facilities are being improperly used for your benefit or the benefit of any other person or body.
- 8.16 You must not use council resources (including Council staff), property or facilities for the purpose of assisting your election campaign or the election campaigns of others unless the resources, property or facilities are otherwise available for use or hire by the public and any publicly advertised fee is paid for use of the resources, property or facility.

Internet access

- 8.19 You must not use council's computer resources or mobile or other devices to search for, access, download or communicate any material of an offensive, obscene, pornographic, threatening, abusive or defamatory nature, or that could otherwise lead to criminal penalty or civil liability and/or damage the Council's reputation.

Use of social media

- 8.20 Activities on social media platforms should be considered public activities. Despite the availability of private functions on social media platforms, the possibility exists for content to be shared beyond the intended recipients. It should be noted that online content is often essentially permanent and usually becomes the property of the site on which it is posted.
- 8.21 Councillors are responsible for the administration and moderation of their own social media platforms.

Policy - external Code of Conduct for Councillors

8.22 A Councillor's social media platform must include a disclaimer to the following effect:

8.24 All information created, sent and received in your official capacity is a council record and must be managed in accordance with the requirements of the Records Act and the Council's approved records management policies and practices.

8.25 All information stored in either soft or hard copy on council supplied resources (including technology devices and email accounts) is deemed to be related to the business of the Council and will be treated as council records, regardless of whether the original intention was to create the information for personal purposes.

8.26 You must not destroy, alter, or dispose of council information or records, unless authorised to do so. If you need to alter or dispose of council information or records, you must do so in consultation with the council's records manager and comply with the requirements of the Records Act.

Councillor access to council buildings

8.27 Subject to availability, Councillors and Administrators are entitled to have access to the Council Chamber, Committee Room, Councillors' Room, Awaba Room, and public areas of council's buildings during normal business hours and for meetings. Councillors and Administrators needing access to these facilities at other times must obtain authority from the Chief Executive Officer. The Mayor is entitled to have access to the Mayor's office during normal business hours and at other times if authority is obtained by the Chief Executive Officer.

8.28 Councillors and Administrators must not enter staff-only areas of council buildings without the approval of the Chief Executive Officer (or their delegate) or as provided for in the procedures governing the interaction of Councillors and Council staff.

8.29 Councillors and Administrators must ensure that when they are within a staff only area they refrain from conduct that could be perceived to improperly influence Council staff decisions.

9 Maintaining the integrity of this Code

Complaints made for an improper purpose

9.1 You must not make or threaten to make a complaint or cause a complaint to be made alleging a breach of this Code for an improper purpose.

9.2 For the purposes of clause 9.1, a complaint is made for an improper purpose where it is trivial, frivolous, vexatious or not made in good faith, or where it otherwise lacks merit and has been made substantially for one or more of the following purposes:

- a) to bully, intimidate or harass another Council Official
- b) to damage another Council Official's reputation
- c) to obtain a political advantage
- d) to influence a Council Official in the exercise of their official functions or to prevent or disrupt the exercise of those functions

Policy - external Code of Conduct for Councillors

- e) to influence the Council in the exercise of its functions or to prevent or disrupt the exercise of those functions
- f) to avoid disciplinary action under the Procedures
